**MEMORANDUM FOR RECORD**

**SUBJECT:** [REDACTED]

25X1

1. Reference is made to the attached memorandum dated 9 July of a call made by the above person at the office of the DCI.

2. This afternoon [REDACTED] 'phoned me, repeating in general information in the above-cited memorandum. One new feature was added: he now wants to work for the Agency again. In view of this, I recommended to him that he address a note to Personnel, drawing attention to his previous employment with the Agency and asking about the possibility of being re-employed. I made this recommendation, first, because Personnel is the proper channel through which to apply and anyone has the right to apply for employment and, secondly, because I saw no point to engaging in a "Tis so - 'Tain't true" discussion with [REDACTED] - especially since I had no information other than that contained in the above-cited memorandum plus the oral information received from [REDACTED] to the effect that he was unsatisfactory as a probationary employee on a number of counts (misrepresentation to the degree of plain liar, apparently).

[REDACTED] thanked me for my advice and implied that he would follow it.
